

Safety Data Sheet (SDS)
MONEY HOUSE BLESSING Aerosol Air Fresheners
(all fragrances)

Section I – Product and Company Information

Product: MONEY HOUSE BLESSING Aerosol Air Freshener Consumer Product
Product Use: Aerosol Air Freshener
Manufacturer: CAR-FRESHNER Corporation
21205 Little Tree Drive
Watertown, NY 13601

Telephone number: + 1 315 788-6250
Transportation Emergency Number: +1 315 786-4026

Section II – Hazard Identification

Signal Word: **Warning**
Symbol:

Hazard Statements:
H280 Contains gas under pressure; may explode if heated.

Precautionary Statements:
P410+P403 Protect from sunlight. Store in a well ventilated place.

Section III – Composition

Chemical Name	CAS Number	%/wt
Propellant – A55	68476-86-8	13 - 17

Section IV – First Aid Measures

Eye Contact: Flush with water for 15 minutes.
Skin Contact: Wash affected area.
Inhalation: Remove to fresh air.
Ingestions: Rinse mouth with water and obtain medical advice. Do not induce vomiting.

If irritation persists, seek medical attention.

Section V – Fire Fighting Measures

Extinguishing Media: Use carbon dioxide, dry chemical, mist or water spray.
Hazardous Combustion Products: None Determined.
Fire Fighting Equipment: Normal firefighters gear.

Section VI – Accidental Release Measures

Containment: Contain contents and eliminate sources of ignition.

Clean-up Procedures: Follow Federal, State, and Local Guidelines for proper waste disposal.

Special Instructions: None

Section VII – Handling and Storage

Safe Handling Precautions: Keep away from heat/sparks/open flames.

Safety Storage Precautions: Do not expose to temperature exceeding 50°C/122°F.

Section VIII – Exposure Controls/Personal Protection

Exposure Limits: None established

Engineering Controls: None

Personal Protection: None required for normal consumer use.

Section IX - Physical and Chemical Properties

Appearance: Aerosol can containing clear to opaque liquid fragrance with characteristic aroma.

Odor: Multiple aromas

Odor threshold:

pH: 9.3 – 9.9

Melting point/freezing point: Not Applicable

Initial boiling point: Not Determined

Flash Point: Aerosol flame projection <18 inches

Lower and Upper Explosive Limits (LEL): Not Determined

Evaporation Rate: Not Determined

Flammability (solid,gas): Not Determined

Vapor Pressure: 68 – 72 psig @ 70°F

Vapor Density: Heavier than air (see hydrocarbons)

Relative Density: Not Determined

Solubility: Soluble in water

Specific Gravity: 0.980 – 1.005 g/cm³

Partition coefficient (n-octanol/water):

Auto-ignition temperature: Not Determined

Decomposition temperature: Not Determined

Viscosity: Not Determined

Section X - Stability and Reactivity

Reactivity: None known

Stability: Stable under normal conditions.

Possibility of Hazardous Reactions:

Conditions to Avoid: Keep away from heat and open flames. Don't puncture or incinerate.

Don't store at temperatures over 120°F

Incompatibility: None Determined.

Hazardous Decomposition Products: Carbon oxides

Section XI - Toxicological Information

The fragrance used in this product is formulated to comply with the International Fragrance Association (IFRA) and CAR-FRESHNER Corporation's guidelines regarding their safe use in consumer products.

Routes of Exposure and Potential Health Effects

Eye: Contact may cause irritation.

Skin: Contact may cause irritation

Inhalation: Gross inhalation may cause irritation.

Ingestion:

Toxicity Data

Acute Toxicity:

Skin Corrosion/Irritation:

Chronic Effects:

Carcinogenicity: *This product is not listed as a carcinogen by ACGIH, IARC, NIOSH, NTP, CARB or OSHA.*

Section XII - Ecological Information

This product is not expected to pose a hazard to the environment when the waste is properly handled.

Section XIII - Disposal Considerations

Follow Federal, State, and Local Guidelines for proper waste disposal.

Section XIV - Transport Information

DOT: UN1950, Aerosol, non-flammable.

Limited quantity (49CFR173.306(a)(3))

ICAO/IATA: UN1950, Aerosol, non-flammable, 2.2, Limited Quantity

IMDG: UN1950, AEROSOLS, 2.2.

Limited quantity (Special Provision 277, less than 1000 ml)

Section XV - Regulatory Information

Federal Hazardous Substance Act (FHSA): Product is exempt from the provisions of the FHSA.

Toxic Substance Control Act (TSCA): Components are not on the TSCA Inventory.

California Proposition 65: This product does not contain Proposition 65 chemicals above thresholds and does not require warning labeling.

Section XVI - Other Information

The information on this SDS was obtained from current and reliable sources. However, the data is provided without warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for use, and to assume liability for loss, injury, damage, or expense resulting from improper use of this product.
